

Education

- **Carnegie Mellon University** Pittsburgh, PA
• *B.S. in Computer Science, minor in Photography* Class of 2016

Skills

- **Languages:** Java, C, Python, SML, HTML, CSS, PHP, Javascript
- **Other:** L^AT_EX, Intermediate web design, Photoshop, Microsoft Office, Pinnacle Studio

Experience

- **Palantir Technologies** June 2016 – Present
Product Quality Engineer
 - Performing manual and automated tests for a base product and its new features, designing and planning product features, and developing ways to increase product usability and team productivity.
- Product Quality Engineer Intern* May 2015 – August 2015
 - Wrote and ran manual and automated tests for a base product and its new features, participated in design and product planning, and developed a full-fledged dogfooding instance of the base product (using it to replace an internal ticketing system) both to provide insight into new potential uses of the product and to replace a problematic ticketing system with an easier alternative.
- **Channel Clarity** May 2014 – August 2014
Software Development Intern
 - Developed a testing application for an email sending platform, along with online forms for call center agents. Contributed to an email hygiene service (to ensure emails aren't sent to invalid accounts) and a gender identification service (to determine the gender of a first name for use in communication with clients).

Projects

- **No Comment (Chrome extension for TartanHacks)** February 2015
 - Replaces all comments on websites with alternative content (any Twitter or Instagram feed, cat facts, famous quotes, a Flickr search, etc.) to prevent users from seeing negative comments. Project can be viewed at: <https://github.com/nhrubin/Tartanhacks2015>
- **Carson (Android app for TartanHacks)** January 2014
 - Takes a picture of an event poster, isolates text (using Tesseract), and parses that text to get event details to store in the phone's calendar. Project can be viewed at: <https://github.com/ashnasquared/thetitanic>

Extracurricular Activities

- **Aerial Silks** Fall 2012 – Present
 - Practicing and performing aerial stunts and tricks on two hanging pieces of fabric.
- **Photography** Summer 2010 – Present
 - Black and white film photography and digital photography.

Awards and Honors

- National Merit Scholar Semifinalist October 2011
- Cum Laude Society March 2011
